

Dear Students!

Welcome to SSE Riga! We hope to see you in the fall!

We would be happy to offer you a place to live in our dormitories for the coming school year. The dormitories house 73 students, and are located at Patversmes street 22. This is approximately 5km away from the school, and about a 20 minute trolley bus ride, or 12 minute car ride. It is located near the Sky and More shopping center on Dunties street 19A. There is free parking for students if you wish to come with a car.

The dormitories are located on two floors (2nd floor for females, and 1st floor for males), with 4 shared kitchens, as well as shared leisure rooms and study rooms. The dormitories are accessible only by SSE Riga students with magnetic key cards, and are monitored remotely by SSE Riga security guards, as well as a private security company.

We have the following rooms available (costs include all utilities: electricity, heat, hot water, wifi internet, etc.):

Triple room with shared bathroom: 120 eur per month (43 beds available)

Double room with shared bathroom: 140 eur (16 beds available)

Double room with private bathroom: 180 eur (12 beds available)

Double private apartment with private kitchen and bathroom: 220 eur per person (apartment for 2 people, with 2 beds available)

A 100 eur security deposit is required of all students, which will be returned to you after you leave the dormitories.

The rooms will be assigned on a first-come, first-served basis. If you are interested, please email the property manager Janis Meija (janis.meija@sseriga.edu) and include the following information: 1) your full name and study year, 2) type of room you are interested in, 3) which semester (entire school year or one semester), 4) roommate preference, and 5) your country of origin.

I will add your name to the information list, and I will contact you when we make the room assignments in the late summer. Adding your name to the list is not a commitment. New students will be able to move into the dorms beginning in early August.

** Please note that once you sign the contract, you are making a commitment to live there for the entire semester, and you are responsible for payment for the entire semester. There is no option for month-to-month living. If you decide to move out in the middle of the semester, you will still be responsible for payment for the entire semester.

Payment is preferred to be made by bank transfer. For those students coming from outside the EU, we can accept credit card payment via a bank terminal. When making a bank transfer rent payment, be sure to include the student name and room number.
